

Staff Information Sheet for Hall Passes at Loggers' Run Middle School

(A letter for ALL teachers to read to ALL students)

Students:

We at Loggers' Run Middle School are concerned about your academic achievement as well as your safety. For your safety, we *cannot* have students out on campus without passes.

:

- 1) Students using a hall pass **MUST** wear the hall pass **AROUND THEIR NECKS** at all times.
- 2) The hall pass must be visible at all times.
- 3) There will be *one and only one student per pass*.
- 4) Use of the hall passes should be limited.
- 5) The amount of time a student is out on a hall pass will be closely monitored.
- 6) Students who are in the hall without a pass during class time will be addressed by administration.

Students will be expected to display their hall pass for any staff member that approaches them in the halls.

If we all work together on this "very simple" hall pass rule, then everyone will know exactly what to expect at all times. Remember, your safety is important to all of us!
