Dear Parents/Guardians:

The Florida Department of Education has released the 2010-2011 No Child Left Behind School Public Accountability Report (NCLB SPAR). The report is available for viewing at the school. The NCLB SPAR includes information on state goals relating to Adequate Yearly Progress (AYP), student performance, learning environment, school safety and environment, teachers and staff, adult literacy, and parental involvement. Copies of the NCLB SPAR reports are available on our website.

The School Advisory Council (SAC) designs a yearly plan for school improvement. Our focus continues to be on student achievement in all academic areas. Our goal is to have all students perform on grade level and make adequate yearly learning gain in all areas.

The School Advisory Council voted to use the School Improvement funds (Lottery dollars) for programs that support our efforts towards increasing student achievement.

We were fortunate to have businesses and organizations in the community who donated money directly to our school to support our educational programs. During the 2010-2011 school year, we received donations from Publix, Rita's Italian Ice and Camp Palmetto.

We were also fortunate to have tremendous support from our PTSA for FCAT support and student incentives.

The school has a very dedicated faculty and staff whose goal it is to provide the very best education possible for your child(ren). If you have ideas and suggestions, please attend our School Advisory Council meetings and be a part of our team. We look forward to your input!

Sincerely,

Francis P. Giblin
Principal
